# GET INVOLVED!

## Ways you can make a difference

### Join the PTO, PMC or Sport Boosters

Joining the PTO, PMC, or Sports Boosters is like unlocking three secret levels of school fun! Whether you're high-fiving teachers through the PTO, cranking up support for music and the arts with the PMC, or cheering loudly with the Sports Boosters, you'll make a real impact while having a great time. It's a chance to meet great people, support the programs that brighten our kids' days, and maybe even discover a hidden talent for fundraising, face-painting, or running the world's best bake sale. Jump in and help make our school an even more amazing place to learn, play, and grow!

### Volunteer

We are always in need of volunteers to help with special events, activities, fundraisers, and more. You do not need to join our groups to volunteer. You simply sign up to help.

### Project Help

We have several projects to tackle around the school—from creating a safe communication space for the kids to giving the PTO Shed a much-needed facelift. We'd love some volunteers to roll up their sleeves and help us bring these projects to life! Check out the full list of projects on our website. If you're unable to help personally, maybe you know someone who can lend a hand!

### Donate Supplies

Our teachers frequently need extra supplies for class projects and fun activities. Please check with your student's teacher to see what items might be helpful. Your support makes a big difference!

### Current Volunteer Needs

- **Candy Gram Sales & Assembly**  
We are getting ready for Valentine's Day and need some volunteers to help sell, assemble after school on Wed., 2/11, and distribute them on Thurs., 2/12.
- **Creating Unity Spaces**  
Mr. King has a bright idea—creating a Unity Square where kids can share their feelings and discover how others are feeling too! It's a welcoming space that makes talking about emotions easy and fun. By opening up these conversations, students can connect, understand each other better, and feel supported when words are hard to find.
- **Shed Needs Love**  
Let's give our PTO shed a little love! We're planning to add some new shelves and brighten it up with a fresh coat of paint. Join us in bringing new life to the shed and helping it last for years to come!
